REMINGTON®

Sleek&Curl
STRAIGHTENER THAT CURLS AND STRAIGHTENS

230°C 230 Degrees Heat

Advanced Ceramic
2x Smoother Glide
3x Longer Lasting*
*vs. standard ceramic coating

2in1
Creates curls, waves
& straight styles

Detailed description: This is a promotional graphic for the Remington Sleek&Curl hair straightener. It features a black and gold device with a digital display showing '230°C'. The background shows four women with different hairstyles (straight, wavy, and curly). Text highlights the '230 Degrees Heat', 'Advanced Ceramic' coating (2x smoother glide, 3x longer lasting), and '2in1' functionality for curls, waves, and straight styles.
